IN A NUTSHELL

The knowledge platform for general practitioners

Disclaimer

“in a nutshell” is in no way intended as a treatment or diagnostic guide for patients (see “Medical Information” above). Pro Medicus GmbH is not responsible for any damage that a user of the website, trusting in the accuracy and completeness of the contents of this website, performs or omits to perform actions and subsequently suffers damage as a result. Any liability on the part of Pro Medicus GmbH for any direct or indirect damage or consequential damage arising in connection with the use of “in a nutshell” is hereby expressly excluded.

Medical knowledge is subject to constant change through research and clinical experience. Pro Medicus GmbH and all other persons involved in the design, implementation or provision of this website make every effort to ensure that the content of the website is up-to-date and correct. Nevertheless, no explicit or implicit assurance or guarantee is given with regard to the correctness, up-to-dateness, accuracy, reliability and completeness of the information. Nor is any responsibility assumed for the correctness, completeness and selection of the content.

The website may contain typographical errors or technical inaccuracies or omissions, for which no responsibility or liability is assumed. Caution is therefore advised when using the website. In particular, the use of this work does not release the healthcare professional from the obligation to check the package leaflets of prescribing preparations mentioned on the website to see whether the information given there differs from the information on this website and to make his or her prescription on his or her own responsibility.

The right is reserved to change, improve, correct, remove, or restrict or discontinue the availability of the products and services described on the website at any time without prior notice. Furthermore, the right is reserved to interrupt the operation or functionality of the website partially, or completely, or to make the content of the Website temporarily or permanently unavailable or to delete it completely.

All liability claims against Pro Medicus GmbH or against other persons involved in the design, implementation, or provision of this website for direct or indirect damage and consequential damage of a material or immaterial nature arising from access to or use of, or the impossibility of access to or use of, the published content, from errors or omissions in the content, from misuse of the connection or from technical faults are excluded.

Furthermore, Pro Medicus GmbH or other persons involved in the design, implementation or provision of this website cannot be held liable for damage (including viruses) to the user’s hardware or software or other property related to accessing, using or downloading content from the website.
